Day 4	Thu 3 June	Clinical Simulation Centre, Queen Silvia Children's Hospital, Östra sjukhuset Full hands-on day

GETTING TO GOTHENBURG

Göteborg Landvetter Airport

- **Distance:** about 25 km from the city centre, 25–35 minutes by car.
- **Airport coach (Flygbussarna):** runs to the Central Station (Nils Ericson Terminal) in about 30 minutes. Buy tickets online, in the Flygbussarna app or from the machines at the airport. Card payment only.
- **Taxi:** the taxi companies at the airport have fixed prices to the city centre. Check the price before you get in. Uber and Bolt are also available.

Copenhagen Airport (Kastrup, Denmark)

- **Train:** direct trains to Gothenburg Central Station take about 3.5–4 hours (SJ and Öresundståg).
- **Coach:** FlixBus also runs to Gothenburg; the journey takes a little longer.
- **ID:** there may be ID checks at the Swedish border, so please carry your passport or national ID card.

Gothenburg Central Station

- Trains arrive at Centralstationen, and long-distance coaches at Nils Ericson Terminal. Both are in the same complex, right in the city centre.

GETTING AROUND IN GOTHENBURG

- **Walking:** the city centre and the waterfront are easy to explore on foot.
- **Public transport:** trams, buses and ferries are run by Västtrafik. Buy tickets in the Västtrafik To Go app. Google Maps and Apple Maps show routes and times.
- **E-scooters:** available through apps such as Voi and Lime.
- **Taxi:** Taxi Göteborg, Minitaxi and Taxi Kurir, as well as Uber and Bolt. Fares vary, so ask for the price or book in advance.
- **Payment:** cards and mobile payment are accepted almost everywhere; cash is rarely needed. The currency is the Swedish krona (SEK).

ACCOMMODATION

Recommended course hotel: Mercure Göteborg

- **Location:** a simple, comfortable hotel on the waterfront in the historic harbour district, only a 3-minute walk from the course venue. (Formerly Thon Hotel Dockyard.)
- **Discount:** course participants get 15% off the regular room price. When booking, use Client Code SCP4679841 and Access Code ME483SE682.
- **Booking:** book directly with the hotel using both codes to get the discount, or through any major hotel booking site.
- **Good to know:** the hotel has a snack bar but no restaurant, and Nya Varvet is a quiet residential area with few restaurants nearby. If you arrive in the evening, we recommend having dinner in the city centre first.

Other options

- **Quality Hotel Waterfront:** a more upscale and somewhat more expensive option, a pleasant 15–20-minute walk along the waterfront to the course venue.
- We recommend hotels in the city centre along bus line 114, which runs almost directly to Campus Nya Varvet. The city centre also has many restaurants and is well connected to Östra sjukhuset for Day 4. Check travel times with Västtrafik or Google Maps.

COURSE VENUES

Days 1–3: Campus Nya Varvet

- **Location:** a former naval base by the water in western Gothenburg.
- **By bus:** bus 114 from the city runs almost directly to the venue; check the Västtrafik timetable for times.
- **By tram:** tram 11 (direction Saltholmen) to Nya Varvsallén, or tram 9 to Kungssten. The tram ride takes about 20 minutes from Brunnsparken and about 25 minutes from Centralstationen. From the tram stop it is about a 10-minute walk.
- **Plan your trip:** check public transport options on www.vasttrafik.se or in Apple Maps or Google Maps.
- **From the hotels:** Mercure Göteborg is a 3-minute walk away, and Quality Hotel Waterfront a 15–20-minute walk along the waterfront.

Day 4: Clinical Simulation Centre, Östra sjukhuset

- **Address:** Queen Silvia Children's Hospital, Östra sjukhuset, Diagnosvägen 10, 416 50 Göteborg.
- **Getting there:** Östra sjukhuset is not within walking distance. From the city centre, take tram 1 directly to the hospital (about 18 minutes from the Central Station) or the Svart Express bus (about 10 minutes).
- **Finding the way:** look for the colourful, greenish building of Queen Silvia Children's Hospital and enter through the main entrance. From there, follow the signs to the Clinical Training Centre.
- **Course bus:** on Day 4 a bus is arranged from Campus Nya Varvet, by the hotel Mercure Göteborg and the course venue, to the hands-on day at the hospital. Times will follow before the course.

GOOD TO KNOW

- **Weather:** early June in Gothenburg is usually 15–22 °C, with light evenings. Bring a jacket for the waterfront.
- **Emergency:** call 112 for ambulance, police or fire.
