The Organizer also takes photos during the lectures and workshops, which may be used on the course website and in course information. Participants who do not want to appear in photos can tell the staff, and they will then not be photographed or will be made unrecognisable.
5. Registered participants get access to the lecture recordings for 4 weeks after the Course. Recordings may not be downloaded or shared.

10 Course Modification or Cancellation by Organizer

1. The Organizer may reschedule, modify, or cancel the Course for reasons beyond its control (e.g., low enrolment, faculty illness, venue issues).
